JOINT STATUS REPORT

On December 7, 2020, this Court entered its order granting the parties Joint Status Report and Request for Extension of Stay of all deadlines until a decision issues on the pending Motion to Dismiss and Motion for Summary Judgment in *Blackbird Tech LLC v. ELB Electronics Inc. et.al.*, Civil Action No. 15-cv-56 in the District of Delaware. The Court further required a joint status report within 14 days of the District of Delaware's decision on the pending motions currently before that court, or by December 7, 2020. At that time, the court extended the stay and requested a status report on January 7, 2021.

The parties would report to the Court that the Summary Judgment motions described above were decided on September 9, 2020 and reargument decided on October 7, 2020. A pre-trial conference was held on December 21, 2020. The above captioned action has been postponed due to COVID issues, and will not proceed to trial until the fall of 2021 at the earliest. Given this development, the parties intend to move forward with discovery after the current stay expires in February. Given that many of the deadlines established in the courts original scheduling order have passed, the parties would request an opportunity to confer and present the court with an agreed scheduling order moving forward following the expiration of the stay.

Respectfully submitted,
